Reed Minerals
Division of Harsco Corporation
Attn: Bud Budzinski
1011 Mumma Rd.
Wormleysburg, PA 17043

Dear Mr. Budzinski:

The results of a capability survey conducted at your Lacygne, KS plant indicates that this plant has the necessary technical, production and quality assurance to manufacture products in accordance with MIL-A-22262B(SH)/Amendment-2.

A copy of the Defense Contract Management Agency (DCMA), Wichita report covering the survey results for your 600-800 Outer Drive, Lacygne, KS plant is forwarded as enclosure (1).

As requested by your fax of 20 February 2002, your corporate mailing address has changed from Box 0515, Camp Hill, PA to 1011 Mumma Rd., Wormleysburg, PA. This is a change in mailing address only with no effect on your plant listings.

The Manufacturer's Name and Address column on QPL-22262 will be updated to as follows:

Manufacturer's Name and Address
